- Download the Geocaching® app for your smartphone or load coordinates in your GPS from Geocaching.com.
- Search for GeoTours and enter GT4C4 (EXPLORE Sicamous GeoTour)
- You won't need a Premium Geocaching® app for this GeoTour, just the free account

Using the App

- Check out the map and start finding caches in the GGeoTour
- Record the CODE WORD (attached to cache container or located in the log book inside the cache) in this passport grid.
- There are a variety of items in the caches, PLEASE ONLY TAKE ONE COLLECTABLE ITEM.
- Put everything back in the cache and put it EXACTLY where you found it.
- DO NOT take the cache with you. **If you find a TRAVEL BUG, read about it's mission and determine if you can help complete the task**
- Record your find on the Geocache App

- Find ALL 15 EXPLORE Sicamous geocaches to earn a limited edition, trackable GeoTour coin.
- Each of the 25 EXPLORE Sicamous geocaches will contain a code word which will need to be recorded on your passport in the correct box
- Email an image of your completed original passport with contact info filled out below to c.procyszyn@dosdc.ca OR drop off at the Sicamous Visitor Center
- Once your passport is reviewed, and confirmed as correct, your custom EXPLORE Sicamous GeoTour coin will be mailed to the address you provide
- ONE GeoTour coin per household
- Please note that once the supply of the 200 GeoTour coins has been given out, we will post a notification on the Geocaching® page.

- The first 15 caches (black text on the following page) were launched on July 30, 2022.
- The next 10 caches (GREEN text) were launched on July 16, 2023
- If you have already completed the first 15 caches, and received your collectible Sicamous GeoTour Geocoin, please make a note below and we will send you out some Expore Sicamous SWAG for completing the 10 new caches!
